Correspondence:

The following information was given to the members:

1. Johnsonburg Camp Re: Purchase brick for Lakeside Fire Circle
2. Aspen Heights Tree Service Re: Sponsorship Sign (see old business)

Old Business:

With regard to the Aspen Heights tree service, they sent a letter stating that they were advised that there would be no charge for the sponsorship sign renewal as they did work at the rec center for free. Frank verified this and they will be told there will be no charges due.

It was decided that we will do a Easter breakfast before the Egg hunt at rec center. Charges will be \$5.00 per person. There will be no rain date. Frank & Todd will pick up the supplies needed.

Todd mentioned that the softball tournament that we were going to sponsor next month has to be canceled as there wasn't enough time to get umpires. We will try to do again in the fall.

Founders Day-Brenda will schedule the pig guy, the DJ and Goldie (face painter).

Mark brought up the criteria for the scholarships and thought that we should clarify the wording to include that they need to volunteer founders day, halloween hay ride and other functions. Mark will reword and this will be sent to the school for next year.

Frank mentioned that the hood has been installed for free at the rec center.

New Business:

It was decided that we would do a Clambake on August 4th. We will need to sell 300 tickets at \$50.00 a ticket. This will be done rain or shine at the rec center.. The listing of food needed was gone over along with doing a cash bar.

The 5K run will be discussed again next year as the trails at the rec center need to be certified. Mark discussed with the Committee a bill in the Assembly that requires recreation departments to have a licensed athletic director at all games and practices. Frank will bring up before the Township Committee.

Department reports:

Softball-going good. There will be no fall ball.

Baseball-going to be in little league. North Warren is going to take over.

Soccer-Basketball is going into 5 tournaments this weekend.

Audience Participation:

Tillie Singh would like the recreation department to sponsor her for a fitness and wellness class to be held at the rec center. She will do background check. Motion was made by Pam, seconded by Brian to sponsor Ms. Singh. All were in favor.

Adjournment:

There being no further business, the meeting was adjourned.

Respectfully Submitted,

Brenda J. Kleber, Secretary
