Report of Standing Committees:

Ballfield-it was decided that we would now make the Rydell field into a little league baseball field. Jed Carter will supervisor this project.

Piano-piano is working great after it was tuned.

Basketball-registration form will go out next week. Jed and Cliff will sit at school for back to school night to hand out registrations. Fees will have to be increased to offset the cost of using the Presbyterian camp, referees, coach's shirts, better trophies and medallions for clinic children. The camp gym will be used for 3 months for grades 5 and above as the school gym can't be used as the other teams will not play in the school gym as they feel it is too dangerous. Top soil is needed for the outside basketball court as it was washed away during the storm.

Aerobics-complaint has been received about using the outside port-a-john

Advertising-signs for the fence. Charlie will make calls.

Soccer-Blairstown is looking into playing other towns and since Frelinghuysen has to play coed there may not be any other teams to play next year.

Softball-fall ball has started. There will be 6 weeks of double headers. Infield mix is needed for the field.

Concession Stand-help is needed. We will try to get people to help at back to school night.

Old Business:

Gloria Murphy asked that someone take over the moving night. Everyone thought that since Gloria does such a great job she should continue.

Fingerprinting update-on hold

Walking trail is on hold due to high level of water on field.

New Business:

A policy will be made by Tom Charles for late sign ups. This policy which takes effect at this time will not allow participations to sign up after the due date.

The annual hay ride will be held on October 29, 2011 at the Town Hall. Hot dogs, donuts and cider will be served.

ADJOURNMENT:

Respectfully Submitted,

Brenda J. Kleber, Secretary
